

Write More Camp Scholarship Application Form

Write More develops and creates writing curriculum for students and teachers. Write More Explorer Camps were developed to teach writing strategies to kids while they have fun in a camp-like atmosphere. Write More camps are filled with students who love to write and students who may be reluctant to write. Each camp is limited to a maximum of 12 students and is taught by a certified teacher. Please check our camp schedule for North Raleigh and Cary on our web site at www.writemorestuff.com.
