

# Write More as a Supplementary Program to the 6+1 Traits of Writing

## - A Correlation Study of Write More Products and Programs

The 6+1 Traits of Writing is a program that focuses on the writing qualities listed below and helps to prioritize, focus and individualize writing instruction. The Write More products and programs and the 6+1 Traits of Writing are similar in that they are both designed for a variety of genres, modes, purposes and audiences. Another shared concept is that neither program dictates curriculum; rather, both provide a framework for teaching writing strategies.
